

American Lincoln Part

American Lincoln Part - The American Lincoln division is now linked with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machines that are recognized within the business as durable and strong machines which satisfies all the requirements of heavy industry and larger infrastructure. Products made in the United States of America; the sales are conducted nation- wide through direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery-operated walk behind model of floor scrubber together with the Clarke Company who is currently also owned by Nilfisk Advance. Their manufacturing operations are mainly based in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln has the ability to provide warranty service, machines and parts for these scrubbers which have both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility supervisors where efficiency and results make a difference. Lately, this particular floor scrubber model has been requested by the architects in different construction projects like for instance Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this particular sweeper scrubber on location due to the model's utmost performance level and excellent quality for polishing concrete.
