

Concrete Hoppers

Concrete Hopper - This particular accessory is a self-dumping hopper that automatically activates to unload when bumper release touches the side of a dumpster. After unloading is finished, the hopper returns to a locked and upright position. This particular piece of equipment is even presented along with a cable which enables operation from the seat of the lift truck in order to have the choice of manually unloading the hopper. There is a locking chain provided so as to secure the hopper to the tine truck. This product is constructed with consistent and reliable robotic welds for maximum strength. The lift truck dumping hopper likewise has a blue powder coat finish to maintain durability.
