

## Trek Parts

Trek Part - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over 60 years combined experience with successfully manufacturing, designing, developing, marketing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are committed to giving new design concepts and top quality so as to meet the diverse needs of their clients.

TREK Cleaning Machines always offers fresh design concepts as shown in their product development. They enjoy providing products that energize both their partners and their dealers and offer production gains to their clients.

The TREK team of workers enjoys new tasks and new challenges. They are really proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' skills and needs combined with their understanding of cleaning applications, together with owners' strong desire to significantly lower expense through productivity gains.

When needed, the employees within TREK and its many dealer members in both technical support and parts will be accessible. One of their core values is their high service dedication in their customer service. Keeping their customers' cleaning equipment ready and running day by day is top priority. The company's top of the line technology delivers reliable equipment that eventually lessens your cleaning expense. The service, the product and the price all work as one to make them an industry leader.
