

TCM Forklift Parts

TCM Forklift Parts - Forklift trucks are an important player in the material handling field of every global business. Transporting industrial goods occurs each and every day on our busy world. First innovated as industrial vehicles in the 1930s in the United States, lift trucks gained popularity after WWII in the 1940s. Becoming an efficient and reliable means to material handling solutions, the practicality and need of these equipment spread worldwide.

In 1949, started by Mr. N. Niwa, the original Toyo Carrier Manufacturing Company Limited, which was later named Toyo Umpanki Co, was established. Currently the company is simply referred to as TCM Corporation. Over the years, TCM forklifts have become an international leader in forklift manufacturing and have built a solid reputation with the industry. TCM began constructing lift truck manufacturing sites outside of Japan in the 1980s and is now engaged in lift truck manufacturer at three foreign factories in China, the United States and Europe.

TCM proudly manufactures several models of industrial lift trucks with over 50 years of accumulated expertise and technology, making their products used and recognized all around the world. Characterized by strong initiatives and energetic staff, TCM continues to look toward the future and aims to become a world-class leading business.
